OFFICE MEMORANDUM

SUB : Parity in the matter of payment pro-rata retirement benefits to the Government servants permanently absorbed in the Central Public Sector Undetakings and Central Autonomous Bodies—Guidelines for exceptions to the immediate absorption principal—

The undersigned is directed to invite attention to this Deptt.'s O.M. No. 4(12)/85-P&PW dated 31-3-87 stipulating *inter alia*, that appointment of Govt. servants in the Central autonomous bodies shall be on immediate absorption basis only as in the case of Central Public Sector Undertakings. Many Deptts. and autonomous bodies have pointed out that in view of the fact that the requirement of the autonomous bodies for personnel in specialised fields is limited, it would not be feasible to build up a regular cadre of their own in such cases. As the career prospects available for permanent absorbees would thus be very limited, many experienced Govt. officers may not like to be absorbed on regular basis. The matter has been examined again and the President is pleased to decide that the instructions providing for appointment on immediate absorption basis should continue to be followed with the exceptions as indicated below:—

(1) Posts in executive or senior management level (i.e. posts carrying a pay sacle of not less than Rs. 3700—5000) in local self Govt. bodies and specified posts like Chairman and Vice-Chairman in public utiltes such as DESU and DDA.

(2) Posts in executive or senior management level in autonomous bodies having very close inter-action with policies and programmes of the Govt.

(3) Posts where the nature of the work require employment of Govt. officers for security reasons or vigilance purposes.

(4) Posts in newly established/temporary organisations (upto a period of 5 years from the date of establishment).

(5) Posts limited in number particularly in specialised fields where creation of a regular cadre is not feasible.

(6) Post requiring specialised personnel in connection with scientific research or development of technology.

2. The procedure to be followed pursuant to the above guidelines will be that each autonomous body should seek exemption from the rule or immediate absorption for all posts or specified posts or category of posts, as the case may be, keeping in view the above guidelines, by making a self-contained reference to this Deptt. excepting in cases where certain organisations/posts have already been exempted with the specific approval of this Deptt. After a post or a category of posts is so exempted, the Autonomous Body|Administrative Ministry is concerned shall be competent to take decision in individual cases. Ministries are requested to bring these instructions to the notice of all their autonomous bodies.

Hindi version will follow.
